I have provided the information above voluntarily and without coercion. I also understand that employment and continued employment is conditional upon the Company securing and retaining an acceptable fidelity bond on me.

I understand that the Company is required to make an inquiry regarding criminal records which may include procuring my fingerprints, at the Company's expense, and I agree to have my fingerprints submitted to the Federal Bureau of Investigation and other law enforcement officials and agencies nationwide for a criminal records investigation. The Company reserves the right to perform a criminal background investigation, which may include the submission or resubmission of fingerprints, on current employees, at any time. Employment and continued employment is contingent upon a satisfactory investigation.

I release the Company, its predecessors, successors, subsidiaries, past and present officers, directors, agents, servants, employees, and assigns from any and all claims relating to the criminal background investigation and/or my submission to being fingerprinted and relating to any consequences from the fingerprinting program.
